

BAR 7 GENETICS

On March 1, 2018, **Bar 7 Genetics** purchased the entire **Meadow Brook Angus** operation, which was set to have a dispersal sale on April 7, 2018.

Since the purchase of the farm, new owners Wendell & Mary Ann McAllister have kept the program exactly the same. **Bill Lindstrom** is still conducting day-to-day management and the program is marching on uninterrupted.

We are excited to have set the **Inaugural Production Sale** up in the fall
